

Glenmore Trail Widening and Interchange Improvements

Guide Sign installation on Crowchild Trail – November 20-23, 2019

Construction activities are nearing an end on the improvements to the Glenmore Trail / Crowchild Trail interchange project. As part of final construction work, a large traffic guide sign will be installed over Crowchild Trail between Glenmore Trail and 54 Avenue S.W. This work will be completed in stages during night-time hours, starting November 20 until November 23. During this time, the following traffic restrictions will be in effect:

November 20 – 22

- Single lane closures on Crowchild Trail both northbound and southbound from **9:00 p.m. to 5:00 a.m.**

November 23

- Overnight on Saturday, November 23, from **9:00 p.m. to 8:00 a.m.**, Crowchild Trail will be fully closed in both directions between 50 Avenue S.W. / Mount Royal Gate and Glenmore Trail. Variable message boards and detour signs will be in place informing motorists of the full closure.

Please note that there will be some construction noise associated with this sign installation.

We appreciate the patience and understanding of area residents during this time.
