Published by the Lakeview Community Association &amp; Prepared by community volunteers

## *Lakeview President Update*

On behalf of the Community Association I wanted to start by thanking all of those who supported our Casino shifts this past weekend. It is long hours, some of which are late at night, but very important to our overall financial position. Thank you!

The Board is wrapping up its 5 year strategic plan, and it is clear that we need to focus on fund-raising for significant future projects such as upgrading of the tennis courts on 63rd Avenue. I would be keen to hear from you if you are willing to take on the challenge of raising funds for the community. If you are outgoing, connected, forceful and believe in Lakeview, please contact me.

Family Fun day volunteers – pre-covid, the community raised significant funds from ticket and food sales. This was run by dedicated volunteers who knew exactly how to run a BBQ! We would like to welcome everyone back to return and help on the day. If you are a past volunteer (or a new face) I would love to hear from you. We would really appreciate your support to increase our ranks. Please reach out to the Lakeview Community Centre at 403-242-8660 or [info@lakeviewyyc.ca](mailto:info@lakeviewyyc.ca) and join to make a difference.

Our Community Preschool is hosting a Mix 'N Mingle Fundraising event on Saturday February 25, 2023. All funds raised will go towards creating a safe and exploratory outdoor learning space for the kids at the preschool. Please consider attending this event, more information can be found inside this newsletter.

Do you want to meet your Ward 11 Councilor Ms Kourtney Penner? Ward 11 residents are invited to attend Community Coffee from 8:00 - 9:30am at the Kingsland Community Hall on Friday February 24<sup>th</sup>. The format for these coffee's with Kourtney, is drop in style, coffee/tea/light refreshments provided, family friendly, no agenda, sign in sheet and nametags encouraging more productive conversation. Have an opinion? No excuses (!) this is your chance...

Finally, a Local Improvement Project will be happening in the back lane of Londonberry Cr SW this construction season. It is anticipated that back lane paving throughout the city will begin again in May or June. Essentially, the residents came together and agreed that, for an increase in taxes, the back lane would

be paved. If this is something you might consider, please use the following link:

Enjoy February and March and the ever increasing sunlight. As always, lets look after and respect each other and make Lakeview the best community in Calgary.

Respectfully Yours,

**Jon Himmens, MBA**  
President - Lakeview Community Association

# Lakeview 85<sup>th</sup> Scouts Update

All sections had a great month. The Cubs learned to fish at the Bow Habitat Station and took advantage of the nicer weather with skating at North Glenmore and night games while the Scouts have been busy planning a winter challenge camp with a focus on survival and bushcraft skills for early February.

## 🙄 About Scouts Canada

Scouts Canada's mission is to develop well-rounded youth, better prepared for success in the world through a youth-led program where they have a say in what we do and how we do it. Scouting in Canada has been fully inclusive for decades. Scouters (leaders) are here to help pull it all together, share knowledge, and mentor.

## 👉 Become a Scouter

Have some skills you want to share or simply looking to volunteer and offer your time to help mentor youth? *We are always looking for new scouters, get in touch!*

## It's a Ruddy Duck

By Cathy Warwick

If you see a Ruddy Duck be sure to exclaim in a British Accent, "It's a Ruddy Duck!". In Britain "ruddy" is used as an intensifier (i.e. it's ruddy cold out), so it's like saying, "This is the duckiest duck", which isn't untrue when it comes to the Ruddy Duck. To be honest the name has a more boring origin, it actually comes from the breeding male, ruddy refers to its reddish plumage.

The Ruddy Duck comes back to Calgary earlier than most birds, usually in March. By April you can head out to Frank Lake to see one of these fascinating ducks. The most unusual thing about them is the bright blue bill that the male sports in the breeding season. It's so nice to see some bright colours on animals around here, most seem to be dun coloured, blending in with their surroundings. It's such a thrill to spot the bright blue through your binoculars. Eat your heart out, tropics! We may colour our houses brown and beige but we do have a blue-billed duck.

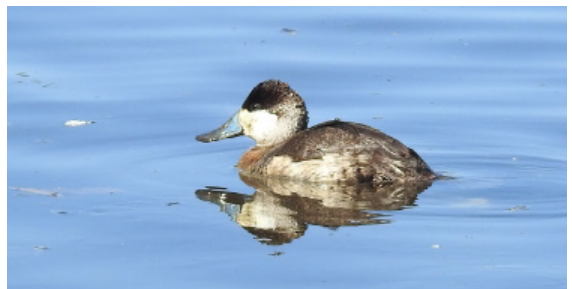

On Frank Lake the Ruddy Duck is seen paddling around with its chest out, a black cap, white cheeks and a tail sticking straight up behind it, they are unmistakable. If you are lucky you will see its funny little courtship dance where it bobs its head up and down and hits its bill on the water, all the while making ticking and clapping sounds. It is also one of the more aggressive ducks and I have seen it swim after other ducks around it. Its feet are further back on its body than most ducks so it is ungainly on land. This also means it sticks its chest out like a little boxer, looking even more aggressive, "You want a piece of me!" should be its breeding cry instead of ticking and clapping. Although this duck is a squat little thing it is very aerodynamic underwater and can dive a metre with one kick of its foot. It also uses its

stiff tail like a rudder. It has the ability to escape predators by slowly sinking straight down into the water without a ripple. I guess it knows when to leave a fight too.

The Ruddy Duck is native to North America but someone brought a group to England and they escaped! They are now an invasive species living in the wild there and are apparently spreading to Europe. Probably beating up the weak European ducks as they go. We only hear about the species that were brought here and escaped. It seems like if you bring a group of birds anywhere new they will invariably escape and start upsetting the local bird populations. Maybe we should just stop moving them around?

The eggs of the hen are very large, compared to their body weight they are the largest of all the ducks. They are also almost spherical. A hen can lay one per day, and the clutch she ends up with can exceed her body weight! The eggs are big, but the upside is out of them come big ducklings that are soon ready to swim by themselves.

All this combines to make a unique and charming little duck I love seeing every year at Frank Lake. Make the trip and you might see the Ruddy picking fights and then slowly disappearing under the water to escape them.

A female Ruddy Duck, apparently she likes the colour blue. Picture by Diane Stinson

A rare picture of a Ruddy Duck walking, that's because he's at the zoo!

Email photos of birds and wildlife to: lakeviewbirdblog@gmail.com, please note if I can publish them and use your first name.

While sleeping the Ruddy tucks its bill in, making a floating circle. A flock of them look like little buns floating on the lake. This picture is from Wikimedia Commons (no license)

**BOTTLE DRIVE**  
in support of  
**Calgary Canoe Club**  
**Sprint Team**

Hi Neighbour! If you have not seen us paddling our super skinny sprint kayaks or sprint canoes, then you may have seen us running through Lakeview, all year long, in any weather. We are fundraising to help us with travelling expenses from Florida training camp to Nationals in Dartmouth, NS, and many regattas in between.

Ways to support us on February 25th:

- 1: Drop bottles off anytime between 9am - 3pm at the Calgary Canoe Club in North Glenmore Park
- 2: Leave bottles bagged on your driveway for us to pick up if you won't be home.
- 3: We will go door to door 12:15 - 3pm
- 4: Use the app below to donate to us on your own schedule, anytime, year round!

## **Marda Loop Main Streets will begin construction this year**

The Streetscape Master Plan is a holistic design that reflects the vibrancy, diversity and history of Marda Loop. It prioritizes pedestrian safety, connects the community to nearby transit and wheeling systems, and improves vehicle traffic flow. Once complete, it will offer a variety of safe, accessible mobility connections, new community gathering spaces and a uniquely Marda Loop character.

We understand construction is impactful to a community and throughout the planning process we have had area businesses and residents top of mind. We have worked to plan construction in a thoughtful way, balancing our desire to quickly and safely complete construction with our efforts to minimize disruption to the community.

We will continue to update the community in the coming weeks and months to ensure businesses and residents are aware of the construction schedule, detours, and any other relevant information.

Visit [calgary.ca/MardaLoop](https://calgary.ca/MardaLoop) for more information and don't forget to sign-up for our newsletter to receive project updates direct to your inbox.

## SOME NEWS FROM YOUR PEWS (or, how I see it)

And welcome once again to some News from the Pews or what used to be a collage of the happenings in and around the different communities of faith in Lakeview. What seems to have transpired over the years has become more of a “how I see it” discourse and hopefully many of you are finding some of what I put together refreshing and possibly even stimulating in the light of so many trials and tribulations which are before us. I thank the folks at Lakeview News & Views in offering me this platform and I will continue to make it as “real” as possible and allow the Spirit to move where it needs to go.

The month of February brings all of us into another liturgical season or what some folks may call ritual – it’s that time of Lent where it refers to the lengthening of days and the coming of spring. The name ‘Lent’ comes from and through Middle English and it also has parallels in French, *lente*, which means “to move slowly”. Maybe this is what we need to focus a little on as we travel through this world – to move ever so slowly and to change our hectic pace. I often hear of folks who give something up for Lent and maybe that has to do with letting things go, with lightening the load, with seeing the normal through different lenses and stepping back and re-assessing life. Regardless, Lent is a 40 day spread prior to Easter and this year, 2023, it falls on Sunday, April the 9<sup>th</sup>.

The season of Lent begins on February the 22<sup>nd</sup> with Ash Wednesday, a time where folks are invited to come into their places of worship and being marked by the ceremonial distribution of ashes – a symbol of entering into a somewhat penitential time of reflection. And the evening be-

fore, Shrove Tuesday, or as some call it, Pancake Tuesday, we all get together with pancakes, sausages, fruits of different kinds and a celebration before the 40 days begin. Mark your calendar (February 21, commencing at 5:00 pm.) for the Pancake Supper and then drop by any time from 12:00 noon until 4:00 pm. on the next day for the imposition of ashes.

Other dates which may need to be put on to your calendar of events:

**Sunday, February 26 – 3:00 pm:** “Songs of Joy and Peace” A concert presented to you featuring Cody Obst on piano; Michael Hope, baritone; and Andrea Case, ‘cello. Tickets for this concert at Lakeview United Church are \$25 and they are available at the door.

**Friday, March 3 World Day of Prayer**

**Thursday, April 6 Maundy Thursday**

**Friday, April 7 Good Friday Service:** commencing at Lakeview United Church at 10:00 am. – finishing with the Walk of the Cross to St’ Laurence Anglican Church.

**Sunday, April 9 "Sunrise Service":**

8:00 am, corner of 66<sup>th</sup> and 37<sup>th</sup> followed by Easter Sunday service in the sanctuary of Lakeview United Church at 10:00 am.

**Friday, April 14 – 7:30 pm.** Weaselhead Presents Concert Series: Cabot’s Crossing Hopefully we’ll get the opportunity of seeing you at some of the events and services planned for the upcoming period. Until then, may the Spirit of wisdom reside within you and guide your life...

## Lakeview Community Association Garden News

The Lakeview Community Garden, located behind Lakeview Community Field House, has brightened our community field and enriched our community for eleven years.

We are anticipating that there will be several garden plots available to rent this spring for the growing season. The 4'x6' garden plots have rich soil in a sunny area and our gardeners grow a wonderful variety of vegetables there.

We require a Lakeview Community Association membership and \$25 to rent a garden plot.

If you are interested in having a garden plot and growing your own fresh vegetables, please contact Cathy Steiner-Wilson at [garden@lakeviewYYC.ca](mailto:garden@lakeviewYYC.ca) or Lakeview Community Association office (403)242-8660.

## **Pet of the Month: Sammy the Calico**

Sammy is a 14-year-old calico cat, who we found under neath our deck as a kitten. She doesn't like other cats and is normally indoors. She eats 3 meals a day but is still skinny. She is very cuddly and loves sleeping on jeans. When she is outdoors Sammy climbs up and down our big tree.
